

Guest Racing in 2019

Caterham Graduates Racing Club are pleased to extend the opportunity for guests to race with the Club. For 2019 we have 7 UK based meetings, plus an international meeting at the ex Dutch Grand Prix circuit at Zandvoort. Entries are invited from cars to current CGRC class specifications and from cars to Caterham Motorsport Roadsport, 270R, 310R and 420R class specifications.

New for this year is the inclusion of a free practice session on Saturday morning of our UK meetings with BARC, giving the opportunity to warm up and get a feel for the circuit just before qualifying.
